

# Walk With Him

*Praise God*

*for the opportunity  
you have been given  
to spend this special  
time with Him.*

*What a precious gift;  
soaking in the love of God.  
As you walk through  
these three days, know that  
you are in our prayers.  
Know that we love you  
as your Brothers and Sisters  
in Christ Jesus.*

*May the love of God  
touch you more deeply  
than ever before as you  
open yourself to Him.  
May God richly bless  
your weekend  
and the days ahead.*
