VISIONS

Save Our Community — Go Green

According to Catalog Choice: Each year more than 19 billion paper catalogs are mailed to American consumers. What's the impact?

- Number of trees used – 53 million trees
- Pounds of paper used – 3.6 million tons
- Energy used to produce this volume of paper – 38 trillion BTUs, enough to power 1.2 million homes per year
- Contribution to global warming – 5.2 million tons of carbon dioxide emissions, equal to the annual emissions of two million cars
- Waste water discharges from this volume of paper – 53 billion gallons, enough to fill 81,000 Olympic-sized swimming pools

Our "snail" mailing list is now over 800 strong and growing!

In addition to the damage to the community environment, the cost of the newsletter mailings is just becoming cost-prohibitive.

To continue to receive hard copy of newsletter, we are requesting a \$10.00 annual subscription fee to cover the costs of printing and mailing. Please send your check to Northern Lights Emmaus, PO Box 38, West Chester, OH 45071 with current mailing information.

We Need Pilgrims!!!

Hey Brothers and Sisters

Please take a moment and consider what your Walk has meant to your life. Someone did that for you—they sponsored you so you might be a little closer to Jesus as a result. All of Heaven rejoiced as you came into a closer relationship with our Lord. Can it be time for you to allow God to fill another with His Spirit during the Fall Walk because you sponsored that person? Ecclesiastes 1:1 says that there is a time for everything a season for every activity under heaven. Now is our time to act! Karen and I have a pilgrim for the Fall Walk and we pray that you will have one as well. If YOU sponsor someone we will again have a full walk and a waiting list and all of heaven will rejoice once again! We truly LOVE each and every one of you and thank God daily for allowing us to be a part of what He is doing in our Emmaus Community! God Bless!! Bill Chambers
